

Chairman's Statement

I am pleased to report that for the nine months ended 30 September 2018, Trinidad and Tobago NGL Limited ("TTNGL"/"Company") has recorded profit after tax of \$210.6 million. This represents an improvement of \$59.9 million or 39.8% improvement over the corresponding 2017 period when \$150.7 million was recorded. Earnings per share for the period experienced growth of 39 cents which represents an increase of 40.2% over the prior year period.

TTNGL's improved performance was driven by a higher share of profit from TTNGL's investment in Phoenix Park Gas Processors Limited ("PPGPL"). This improvement was primarily a result of increased revenue derived from enhanced Mont Belvieu product prices - 38.1% higher than 2017, coupled with PPGPL's continued ability to derive the benefit from such price increases through its successful marketing strategies.

Additionally, cost management initiatives have been sustained. In the area of procurement, PPGPL conducted its first e-Auction which will now become a standard component of its procurement strategies. This is the most recent example of the manner in which PPGPL is implementing the use of technology to improve its business processes.

Natural gas volumes to Point Lisas for processing were marginally higher than that for 2017. PPGPL's recently installed Condensate and Product Trading assets continue to contribute to bottom line performance and will enhance long-term shareholder value. With the recent announcement of the proposed shutdown of the Petrotrin refinery, PPGPL has increased its supply of LPG to the domestic market, while still preserving its market share in its export market.

The Board remains cautiously optimistic about the outlook of PPGPL.

Finally and with respect to the payment of dividends in US dollars, all mechanisms have been established to facilitate such payments. TTNGL continues to engage the relevant State authorities for alignment and remains committed to this initiative. The Company will continue to update shareholders on this matter.
